It is our pleasure to announce that we are again accepting applications for ITC Grants. MitoEAGLE invites researchers from COST Inclusiveness Target Countries to use this opportunity.

ITC Conference Grants are aimed at supporting ECI and PhD students from Participating ITCs to attend international science and technology related conferences, events or activities on the topic of the MitoEAGLE Action.

The applicant must give an oral/poster presentation at the conference in question and should be listed in the official event/conference program. The main subject of the presentation needs to be on the topic of the Action and must acknowledge COST.

Please consult our website for more details:
